management.

SEAFDEC Special Seminar 3 July 2018

By

Dr. Jacob Hagberg – International Fisheries Policy Expert, SEAFDEC Secretariat; and

Ms. Chuanpid Chantarawarathit – Senior Expert on International Fisheries Affairs, Fisheries Foreign Affairs Division, Department of Fisheries

SEAFDEC Special Seminar will provide a general overview of the EU Regulation on Fisheries by a permanent fisheries officer of Ministry of Environment of Sweden who are following most EU-negotiations on fisheries on behalf of the ministry. The Seminar will also provide needs of administrative and technical improvement of fisheries management in Thailand in moving towards sustainable fisheries development.

Tentative Program

09:30h	Welcome Remark by Dr. Kom Silapajarn – SEAFDEC Secretary-General
09:45h	EU Regulation on Fisheries by Dr. Jacob H.
10:15h	A New Era for Thailand Fisheries Management by Ms. Chuanpid C.
10:45h	Coffee break
11:00h	Closing Remark by Mr. Akito Sato – SEAFDEC Deputy Secretary-General

Goals of the Workshop

- Provide key issues and concerns for understanding impacts and approaches using in EU Regulation on Fisheries and ways of Thailand in response to improve fisheries management.

Venue: SEAFDEC-NACA Meeting Room, Surusawadee Building
