

## **Provisional Prospectus**

### **The 3<sup>rd</sup> Quarterly Meeting to Follow-up the Project Implementation by SEAFDEC Training Department Q2/2026 and Q3/2026**

3 and 14 August 2026

The Conference Room, The 2nd floor of the Fishing Workshop Building, SEAFDEC/TD

#### **Introduction**

With reference to the endorsement of SEAFDEC projects at the 48th Program Committee Meeting convened during 3 - 5 November 2025, a total of 11 projects under the FCG/ASSP and 12 projects under the TD Departmental Program will be implemented by the SEAFDEC Training Department in 2026. In addition to the projects endorsed for implementation in 2026, one (1) project is reinstatement and current commencement. List of projects to be implemented by TD, including those under the FCG/ASSP, the TD Departmental Program, and the project under reinstatement, is presented as follows:

1. Programs under the Fisheries Consultative Group of the ASEAN- SEAFDEC Strategic Partnership Mechanism
  - 1.1. Project Capacity building on marine environment changes monitor and assessing their impact on fishery resources (under Project Enhanced Marine Research Capacities to Manage Fisheries Resources)
  - 1.2. Project Enhancing capacity for the estimating fishery biomass through scientific hydroacoustic surveys (under Project Enhanced Marine Research Capacities to Manage Fisheries Resources)
  - 1.3. Project Improving Fishers' Livelihood and Fisheries Co-Management in Inland and Coastal Small-Scale Fisheries
  - 1.4. Project Enhancement of Regional Cooperation and Human Resource Development to Eliminate IUU Fishing
  - 1.5. Project ASEAN-JICA Capacity Building Project on IUU Fishing Countermeasures in Southeast Asia
  - 1.6. Project Research and Dissemination of Sustainable Fishing Technology
  - 1.7. Project Sustainable Management of Fisheries, Marine Living Resources and Their Habitats in the Bay of Bengal Region for the Benefit of Coastal States and Communities (BOBLME II)
  - 1.8. Project Promoting the Blue Economy and Strengthening Fisheries Governance of the Gulf of Thailand through the Ecosystem Approach to Fisheries (GoTFish Project)
  - 1.9. Project Fisheries Resource Survey & Operational Plan for M.V. SEAFDEC 2
  - 1.10. Project Strengthening Regional Capacity to Combat IUU Fishing and Promote Safe, Fair and Sustainable Fisheries in Southeast Asia (GIZ-IUU)
  - 1.11. Strengthening Regional Fisheries Governance to Combat IUU Fishing in the Indo-Pacific
2. Departmental Program

Project Promotion on Strengthening of SEAFDEC Visibility and Enhancing Human Capacity Building

  - 2.1. Promotion and Enhancement of SEAFDEC Visibility and Image

2.1.1 Production of Information Materials

2.1.2 Human Capacity Building

Collaborative Program with the Government of Thailand

- 2.2. Project Monitoring Carbon Dioxide Emissions from Fishing Vessels at Fishing Ports
  - 2.3. Project Catch Rate and Species Composition of Anchovy Falling Net with Light Luring Fishing in the Coastal Areas of the Eastern Gulf of Thailand
  - 2.4. Project Valuation of Marine Resources in Rayong Bay, Thailand
  - 2.5. Project Training course on cost reduction in local fishing using solar cells
  - 2.6. Project Study on the Alternative Thai Vessel Monitoring System
  - 2.7. Project Experiment on High-frequency sound transmitted technology to reduce the impact on marine mammals from fishing gear
  - 2.8. Project Training Program Basic Knowledge of Inland Fishing Gear and the Fishing Gear Survey
  - 2.9. Project Training Program on the Hydroacoustic Operator for Fish Biomass Estimation
  - 2.10. Project Training program on gender equality and diversity in fisheries resource management
  - 2.11. Project Ecosystem Approach to Fisheries Management in Freshwater Ecosystems
  - 2.12. Project to develop skills in writing R commands from user to coder for analyzing fisheries resource data
3. Project under of reinstatement process
    - 3.1. Award 72048623IO00002 (Former USAID Southeast Asia Fisheries Partnership: SEAFish)

To monitor the project implementation and their progress, the Project Planning and Management Division (PPMD) will organize the quarterly meeting every three (3) months to discuss implementation and resolve any challenges

### **Objective**

1. To monitor the progress of projects and activities implemented by the SEAFDEC Training Department in Q2/2026 and the Q3/2026; and
2. To discuss issues and challenges encountered during project implementation, as well as identify appropriate solutions.

### **Output**

1. Update status of Project Implementation by the SEAFDEC Training Department in 2026.
2. Solutions of the issues and challenges in project implementation.

### **Venue and Date**

Date: 3 and 14 August 2026

Venue: The Conference Room, The 2nd floor of the Fishing Workshop Building, SEAFDEC/TD

## **Participants**

Expected 40 staff of SEAFDEC/TD;

Expected 40 staff of SEAFDEC/TD;

1. Research and Development Division
2. Training and Research Supporting Division
3. Project Planning and Management Division
4. Japanese Trust Fund Manager team

## **Provisional Agenda (Page 8)**

### **Agenda 1** Opening of the Meeting

- 1.1 Welcome and Introduction to the Quarterly Meeting
- 1.2 Opening by SG/TDC

### **Agenda 2:** Adoption of Agenda and Arrangements of the Meeting

- 2.1 Adoption of Agenda and Arrangements of the Meeting

### **Agenda 3:** Follow-up the Project Implementation by SEAFDEC Training Department Q1/2026 and Q2/2026

## **3.1 Programs under the Departmental Program**

### 3.1.1 Promotion on Strengthening of SEAFDEC Visibility and Enhancing Human Capacity

1. Promotion and Enhancement of SEAFDEC Visibility and Image (TISH)
  - 1.1 Production of Information Materials
  - 1.2 Human Capacity Building

### 3.1.2 Collaborative Programs with Department of Fisheries Thailand

2. Monitoring Carbon Dioxide Emissions from Fishing Vessels at Fishing Ports (MESH)
3. Catch Rate and Species Composition of Anchovy Falling Net with Light Luring Fishing in the Coastal Areas of the Eastern Gulf of Thailand (FTS-Mr. Krittapas)
4. Valuation of Marine Resources in Rayong Bay, Thailand (FMSH)
5. Training course on cost reduction in local fishing using solar cells (MESH)
6. Study on the Alternative Thai Vessel Monitoring System (MESH)
7. Project Experiment on High-frequency sound transmitted technology to reduce the impact on marine mammals from fishing gear (ME)
8. Project Training Program Basic Knowledge of Inland Fishing Gear and the Fishing Gear Survey (FTSH)
9. Project Training Program on the Hydroacoustic Operator for Fish Biomass Estimation (FTS-Ms. Saruttaya)

10. Project Training program on gender equality and diversity in fisheries resource management (FMS-Ms. Jariya)
11. Project Ecosystem Approach to Fisheries Management in Freshwater Ecosystems (RDDH)
12. Project to develop skills in writing R commands from user to coder for analyzing fisheries resource data (FGOSH)

### **3.2 Programs under the Fisheries Consultative Group of the ASEAN- SEAFDEC Strategic Partnership (FCG/ASSP) Mechanism**

**Strategy I:** Securing the Sustainability of Fisheries to Contribute to Food Security, Poverty Alleviation and Livelihood of People in the Region

- *Assessment of important marine fish stocks in the region and development of guidelines on management measures for such fish stocks*

Enhanced Marine Research Capacities to Manage Fisheries Resources (MFRDMD/TD)

13. Capacity building on marine environment changes monitor and assessing their impact on fishery resources (LTO: FGOSH)
  14. Enhancing capacity for estimating fishery biomass through scientific hydroacoustic surveys (LTO: MFSR)
- *Assessment of the status of inland fisheries, and compilation of baseline information on policies and regulations related to inland fisheries in the Member Countries*
15. Improving Fishers' Livelihood and Fisheries Co-Management in Inland and Coastal Small-Scale Fisheries (FMSH)
- *Development and promotion of regional measures and tools for combating IUU fishing*
16. Enhancement of Regional Cooperation and Human Resource Development to Eliminate IUU Fishing (LTO: IFCSH)
  17. ASEAN-JICA Capacity Building Project on IUU Fishing Countermeasures in Southeast Asia (LTO: IFCSH)
- *Development and promotion of responsible fishing technologies including energy optimization, carbon reduction and reduction of post-harvest losses onboard fishing vessels*
18. Research and Dissemination of Sustainable Fishing Technology (LTO FTSH and MESH)
- *Projects under cross-cutting sub-strategies*

19. Sustainable Management of Fisheries, Marine Living Resources and their Habitats in the Bay of Bengal Region for the Benefit of Coastal States and Communities (SPPMO)

Promoting the Blue Economy and Strengthening Fisheries Governance of the Gulf of Thailand through the Ecosystem Approach to Fisheries (SPPMO)

**Strategy VI:** Empowering SEAFDEC to Strengthen Its Roles in the Region and to Improve Its Services to Member Countries

20. Fisheries Resource Survey and Operational Plan for M.V. SEAFDEC 2 (FGOSH)

#### **New Project**

21. Strengthening Regional Capacity to Combat IUU Fishing and Promote Safe, Fair and Sustainable Fisheries in Southeast Asia (IFCSH)

22. Strengthening Regional Fisheries Governance to Combat IUU Fishing in the Indo-Pacific (IFCSH)
23. Award 72048623IO00002 (Former USAID Southeast Asia Fisheries Partnership: SEAFish) (RDDH)

**Agenda 4:** Any other business

**Agenda 5:** Closing

### **Approach (Material and Method)**

Programs/Projects/Activities will be reported by the responsible Lead Technical Officers and Captains of SEAFDEC vessels.

### **Monitoring & Evaluation**

Report on the Quarterly Meeting to Follow-up the Project Implementation by the SEAFDEC Training Department in 2026.

### **Contact Person**

1. Ms. Kanokwan Thobphak: [kanokwan@seafdec.org](mailto:kanokwan@seafdec.org)
2. Ms. Rachavadee Klawilat: [rachavadee@seafdec.org](mailto:rachavadee@seafdec.org)
3. Mr. Peeraphol Suebsing: [peeraphol@seafdec.org](mailto:peeraphol@seafdec.org)

## Provisional Agenda and Timetable

Time	Agenda
<b>Day 1: 3 August 2026</b>	
09.00	Registration
09.30 – 09.45	<b>Agenda 1: Opening of the Meeting</b> 1.1 Introduction to the Quarterly Meeting on the TD Project Implementation in 2026 1.2 Opening by SG/TDC
09.45 – 10.00	<b>Agenda 2: Adoption of Agenda and Arrangements of the Meeting</b>
10.00 – 10.30	<b>Agenda 3: Update on the 3.1 Programs under the Departmental Program</b>
	<b>3.1.1 Promotion on Strengthening of SEAFDEC Visibility and Enhancing Human Capacity</b> 1. Promotion and Enhancement of SEAFDEC Visibility and Image (30 min) 1.1 Production of Information Materials 1.2 Human Capacity Building
10.30-10.45	--Break--
10.45-12.00 (75 min)	<b>3.1.2 Collaborative Programs with Department of Fisheries Thailand</b> 2. Project Catch Rate and Species Composition of Anchovy Falling Net with Light Luring Fishing in the Coastal Areas of the Eastern Gulf of Thailand (20 min) 3. Project Valuation of Marine Resources in Rayong Bay, Thailand (20 min) 4. Project Training course on cost reduction in local fishing using solar cells (20 min)
12.00-13.00	--Lunch Break--
13.00-14.30 (90 min)	5. Project Study on the Alternative Thai Vessel Monitoring System (20 min) 6. Project Experiment on High-frequency sound transmitted technology to reduce the impact on marine mammals from fishing gear (20 min) 7. Project Training Program Basic Knowledge of Inland Fishing Gear and the Fishing Gear Survey (20 min) 8. Project Training Program on the Hydroacoustic Operator for Fish Biomass Estimation (20 min)
14.30-14.45	--Break--
14.45-16.00 (75 min)	9. Project Training program on gender equality and diversity in fisheries resource management (20 min) 10. Project Ecosystem Approach to Fisheries Management in Freshwater Ecosystems (20 min)

Time	Agenda
	11. Project to develop skills in writing R commands from user to coder for analyzing fisheries resource data (20 min)
	<b>Day 2: 14 August 2026</b>
	<b>3.2 Programs under the Fisheries Consultative Group of the ASEAN-SEAFDEC Strategic Partnership (FCG/ASSP) Mechanism</b>
09.00-10.30 (90 min)	<b>Strategy I:</b> Securing the Sustainability of Fisheries to Contribute to Food Security, Poverty Alleviation and Livelihood of People in the Region
	<ul style="list-style-type: none"> <li>▪ <i>Assessment of important marine fish stocks in the region and development of guidelines on management measures for such fish stocks</i></li> </ul> <p style="margin-left: 40px;">Enhanced Marine Research Capacities to Manage Fisheries Resources</p> <ol style="list-style-type: none"> <li>1.
